February 23, 2025 Meeting Minutes

Attendees: Mark Weinheimer, Craig Beavers, Harry Preddy, Ed Thompson, Pete Thorn, Christine Zellers, Mark Brennesholtz

1. Mark W. reported for Henry that the checking account at year end had \$5866, about \$250 more than last year. Funds received so far this year are about even with last year to date.

2. Boats with provisional ratings were reviewed, and the following had the "P" removed: Pearson 10M, Catalina 355 WK, Hunter 41AC, Hinckley B-40 MK-III, Jeanneau SO 440 SD, Sabre 28 Series II, C&C Endeavor 35, Beneteau Oceanis 41.1, Island Packet 35-CB, Hunter 41 AC SD RFM, and Nimble 20. Christine will send out new certificates for these boats.

3. Rated a Pearson 26 OD at 210 base.

4. Rated a Tartan 28 at 174 base.

5. Rated a Sabre 402 at 87 base.

6. Rated a Caliber 38 at 132P base.

7. No progress **again** on **changing** our website, but Craig is more motivated now that he is doing the updating. Discussed briefly the possibility of paying online. Budget is still \$500 or so without further Committee approval.

8. After over 40 years on the Committee, Harry Preddy is retiring. Harry was an original member when NC-PHRF was formed back in the early '80s. Thank you, Harry.

**** Not discussed due to my oversight was the possibility of donating some money, say \$500 to a worthy organization. My suggestion would be some to ETYSA and some to NC Maritime Museum's Junior Sailing program. We have a positive cash flow and several years expected expenses in the bank. We have made donations to various causes in the past. Please share your thoughts on this.

Respectfully submitted... Mark
